

# CALL FOR A MASSIVE GENERAL STRIKE TO FORCE THE PRESENT GOVERNMENT FROM OFFICE

*People are looking for change, with a readiness to accept risks, especially given that even the worst possibilities are better than the status quo. – Talal Salman, editor, El Safir, the Middle East*

If the people of Tunisia and Egypt can rise up and chase their corrupt, decrepit governments from office, yes we can too!

OUR GOVERNMENT HAS FAILED US: We no longer want this government!

We reject it  
We repudiate it  
We condemn it  
We despise it  
WE CURSE IT!

1. We reject Theo Heyliger and his corrupt money politics
2. We reject Judas James, completely immoral, greedy, heartless, beyond contempt
3. We reject Hiro Shigemoto- colorless, clueless, spineless
4. Sarah Wescott Williams – a shameless usurper of a role and position she does not deserve
5. Patrick Illidge – A conniving, greedy slippery snake
6. Roland Duncan – A hopeless bumbler and Hugo “I rule by decree” Chavez, wannabe.
7. The Great Disappointment – Rhoda Arrindell - How shameless of you to threaten your former comrades.

We reject and repudiate these individuals. We demand fresh elections and demand that the following individuals never again be allowed to postulate themselves on any electoral list on St. Maarten. They are banned to the political wilderness forever and ever!

1. Theo Heyliger \_ Never more should he be allowed to corrupt and bribe the masses with his dirty money politics.
2. Sarah, Leroy de Weever, Roy Marlin, Maria Buncamper- Didn't you get the message last election? Beat it!
3. William Marlin- Thank you for your service. But your time has come to go! Do not make the mistake of trying to hang on too long. Leave with your dignity intact. We need fresh faces and above all, humble public servants, not arrogant S.O.B's.
4. Hiro Shigemoto and Roland Duncan (Like father-in-law, like son-in-law) way in over their heads.
5. Patrick Illidge, Judas James and Rhoda (the traitor) Arrindell – We reject and repudiate you!

OUR OBJECTIVE: FORCE THIS GOVERNMENT TO RESIGN FROM OFFICE EN MASSE, DISSOLVE PARLIAMENT AND SET A NEW DATE FOR ELECTIONS TO BE HELD WITHIN 60 DAYS, ALL IN ACCORDANCE WITH OUR CONSTITUTION.
