In re: Failure to comply with motion of Parliament with respect to new government building

Excellency:

By means of this writing I wish to bring to your attention a matter of utmost urgency.

On April 13, 2013, the majority in Parliament, passed a motion, sponsored by myself, requesting you to do two things:

1. Within 60 days of the passing of the motion or by the latest, June 12, 2013 submit an updated schedule of investment per activity with time lines having an elaborate elucidation with respect to the completion and occupation by the civil servants of the new government building.
2. Commence within 6 months the building of Blok D and the building of the parking garage on Pond island.

In the meantime, Madam Prime Minister, four months have passed and Parliament has not heard from you on either item. As the body charged with oversight of government it is of utmost importance that you comply with our request. We therefore hereby summon you to comply with our request forthwith.

Sincerely

MP Frans Richardson
