Mr. Vernon Richards
Touch me not Road 4, Saunders

St. Maarten, June 10, 2015

Dear Mr. Richards,

Due to your non compliance

- with the Board's decision concerning the open house dated April 24, 2015,
- with the email instructions and telephone call by the chairman to cancel the unapproved open house of June 11, 2015 ,
- to provide the Board with a program of the open house in order for the Board to ascertain if the program was suitable and the proper protocol in place,
- to provide the board with the list of invited guests and a copy of the letters of cancellation sent out,
- with the instructions from the Board regarding internal correspondence dated May 26, 2015,

The above are reasons to call an urgent meeting with you today Wednesday June 10th, 2015. Your persistent refusal to carry out a reasonable instruction of postponing the open house scheduled June 11th, 2015 leaves the Board with no other alternative but to dismiss you immediately from your function.

Regards,

AVE Board,
